

Joinery Services

With the ability to supply both standard and made to measure joinery from all major manufacturers, Timber Center can confidently meet your joinery requirements.

Our range includes:

- **Timber windows and door frames**
- **Patio doors and French doors**
- **Internal and external doors and door sets**
- **Standard and purpose made stairs**
- **Roof windows and sun tunnels**

✓ Timber windows and door frames

Our broad selection of timber window styles, from standard casements to Regency style and bay windows, is further enhanced with cavity closure and factory glazed windows. These are available in fully finished paint or stain options. We can also offer a range of fire escape and Secured by Design windows.

✓ Patio doors and French doors

Whether your home is contemporary or traditional, our extensive range allows you to open up your living space. We can offer different configurations in both softwood and hardwood, prefinished or base stained and even triple glazed styles.

✓ Doors and door sets

At Timber Center you'll be sure to find the right internal and external door whether you're renovating, refurbishing or building a new home.

We can also supply both internal and external doors as door sets, which are available in a wide range of styles and supplied prehung in the frame with fixing ironmongery already fitted. These are suitable for use in all kinds of properties, but are particularly suited to new build applications.

✓ Stairs

We are able to offer a complete stair solution, no matter if the requirement is for a standard straight flight or a specially designed purpose made flight. Timber Center stairs are available in a variety of softwoods and hardwoods. We can supply continuous handrail, fully assembled/demountable balustrades and fully finished products. We are also able to supply stairs for multi occupancy dwellings and claddings for concrete stairs.

✓ Roof windows and sun tunnels

Our roof windows allow you to enjoy rooms filled with daylight and fresh air. Whether building a new house or improving an existing property, Timber Center can provide a range of solutions including sun tunnels, dormer, balcony, roof terrace and conservation windows. We also offer our own Center brand roof windows.
